

~For Immediate Release~

December 23, 2009

***VODA Computer Systems is a Microsoft
Authorized Education Reseller***

Thompson Okanagan, Kamloops, BC: Voda Computer Systems Ltd. has announced it has attained Authorized Education Reseller (AER) status in the Microsoft Partner Program. As an (AER) VODA Computer Systems is now able to provide additional Microsoft products to its existing and growing customer base in the Education market. Only (AER)'s have the ability to supply educational and charitable establishments with the special discounts available to them from Microsoft.

VODA Computer Systems Ltd., core business focuses on helping mid to enterprise organizations to select, procure and implement industry-leading and industry standard information technologies. As a Microsoft Gold partner VODA Computer Systems is fully knowledgeable with the Microsoft products they recommend and implement in their clients solutions.

About VODA Computer Systems Ltd. – Just Add VODA!

VODA Computer Systems is one of the leading suppliers of computer hardware, networks and related services in the Thompson Okanagan. The reason for our success is simple. Our ability to deliver reliable products, innovative customer service and superior technical support at competitive prices position us – and our clients – well above the crowd when it comes to information technology. VODA is a privately held British Columbian company that planted its roots in Kamloops in 1993, where our Head Office remains today.
